John and Cathy – If ok, I'm going to meet you at OCWD tomorrow morning and let's drive up to MWD together. We should probably leave right after WACO, no later than 9am. I'm speaking at 10:30am.

Also, the committee consultant advised me that it would be good to have OCWD submit any documents they have that addresses support for desalination in OC. I'm thinking one or more of the letters that the District has provided to the CCC over the years would be good. Attached is the Oct 2013 letter that I have in my files. The District also sent a letter this past summer to the Coastal Commission regarding the approval of the Term Sheet. I can't find that letter in my files. If you agree please bring 10 copies of each.
