Not sure if you are aware

The MWD Board just approved 4 new projects for LRP funding

LADWP – purple pipe – 300 afy
LADWP – purple pipe – 350 afy
EMWD – GW desalter – 5,500 afy
WRD – GRIP project – 10,000 afy

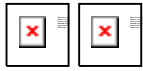

MWD has said that they need another 63,000 afy of LRP projects. These 4 projects would reduce that down to around 46,850 afy. You guys should look at how MWD staff discussed this in the reports that went to the MWD Board. You can get them from the MWD website.

Karl or Rob may have insight on how this may or may not impact Poseidon's chances of getting LRP \$
