Andy,

John and I touched based this morning. Neither of us see a need for a call ahead of our internal meeting with the ad hoc committee next Monday. If something comes up, we'll of course reach out.

David

Checking to see when you would like to discuss, perhaps a phone call later this week so that we can walk through our suggested changes?

Thanks, Andy

David and John, attached is our suggested markup to the May 2015 term sheet reflecting our comments for pricing and other related items (and a few clean ups). We look forward to our continued discussions. This markup is subject to our existing confidentiality provisions.

Thanks, Andy
